Exam Preparation 25 combines general English group classes for 3 hours in the morning to raise students' overall English level with 2 hours of 1:1 exam preparation in the afternoon. The private class focuses on the exam of your choice: IELTS, TOEFL, TOEIC, Cambridge Exams, GED, CU-TEP, or TU-GET. This is a great option as these English exams test both the student's overall level of English and their ability to complete specific skills such as interpreting graphs, essay writing, and understanding lectures.

Private 1:1 Exam Preparation is the most effective course type as the teacher tailors the class to exactly fit the student's needs. Courses can be 5, 10, 15, 20, 25 or more hours per week and the cost depends on the total hours in the course. If you only have a short time to improve, this is a great choice.

Mix and Match is a great choice for longer courses. Start with General English 15 or General English 25 to improve your overall English level, then switch to Exam Preparation 25 or Private 1:1 for the last part. E.g. in a 4-week course, you could take 3 weeks of GE25 and 1 week of Private 1:1 25 hr. exam preparation.
