TESTIMONIALS

It's been quite challenging for me but also an interesting journey, not only academically but socially as well. We have to find ways to connect and understand each other, sometimes up to 14 different nationalities in the same classroom.

Fabián - Columbia

Friendly staffs and teachers. IH bangkok Offers good courses for students from elementary level, regardless of age.

Jongbeom - Korea

I was there for a week and was completely thrilled: The lessons were very structured, all the teachers are native English speakers, super friendly, and take plenty of time to explain things. The organization was also great; everything ran smoothly, and the entire team was helpful and welcoming.

Stefan - Germany

Mayu
Japan

The most memorable experience was meeting people from all around the world. It was very fun to be able to communicate beyond the language and cultural differences.

If you want to improve your English skills and open up you opportunity, it's a good way to go to a language school, you will definitely broaden your horizon.

Being here in IH Bangkok is the best decision I have ever made. The tutors and staff are so supportive and friendly. I have enjoyed every days here.

Maymyo - Myanmar

The school is really good, and the teachers are so friendly. We are not just teachers and students, we have really good relationships.

Lucy - Belgium

I'm really glad I chose Bangkok as a study destination. It's very pretty and the people here are extrodinary.
